Enter the Total Qty for Ea. Number & Color from the Individual Order Forms The Summary Order Form can be used as a master order form or it can be used to sum all the orders taken from the Individual Order Forms. It will

The Summary Order Form can be used as a master order form or it can be used to sum all the orders taken from the Individual Order Forms. It will ensure that each school or organization receives the correct total number of bands for each number and color. Follow the example below to fill out the Summary Order Form. Write the total number of bands and dollars in the boxes located at the top and at the end of the order form.

	Summary Order Form. Write the total number									er of bands an
